PRINTING & BRANDING SERVICES

ABOUT US

InfoAvenue is a Technical support service company and a Professional Training Powerhouse that has been developing people since August 2013. The directors have accumulated over 25 years combined experience in the IT field and community development industry, they have acquired highly recognized qualifications.

We have two major categories of services that we offer at InfoAvenue, namely:

1. TRAINING

- Further Education and Training Certificates
- National Certificates
- International Certificates
- Learnerships
- Corporate Training
- Skills Programmes
- Short Courses

2. IT SUPPORT SERVICES

- Hardware and Software supply
- Hardware and Software Installations
- Service and repairs of computer equipment
- IT Support and Maintenance.

3. PRINTING & BRANDING SERVICES

- Graphic Design
- Printing
- Promotional Gifts
- Corporate Clothing
- Website Design
- Branding Material

InfoAvenue's head office is in Richards Bay but we have been servicing clients all over KwaZulu-Natal.

Visit our website for a detailed course overview: www.infoavenue.co.za

BASIC COMPUTER SKILLS

Developing computer skills and computer literacy is becoming increasingly important as companies rely more on computerized technologies. This course has been designed to give you an understanding of the basic skills you will need to use a PC and its relevant software.

SKILLS COVERED

- Basic Keyboard Skills
- Using a PC & Managing Files
- Basic Word Processing
- Basic Spreadsheets
- Basic Presentations
- Basic Internet & Emailing

PAYMENT STRUCTURE

Registration Fee: R300 (Payable on Registration, once off)

Cash : R 3 000 (Option 1)

Payment

Terms : R1 650 Deposit, R1 650 (Option 2)

Course Duration: 5 Days full time and 1 Month part time.

HOW IT WORKS

Learners attend instructor- led sessions at our Richards Bay centre, training includes practicals. Seats are limited learners per class ensuring each learner receives individual attention and gain the required skill to perform tasks at hand.

ASSESSMENT & CERTIFICATION

This course is a Provider Programme.

Provider Programmes are quality assured and certified by the provider, that means by InfoAvenue. They are not registered on the NQF, do not carry any national credits; and do not lead to a National Qualification.

Provider Programmes exist to help develop your skills. They are usually short courses, and professional career development courses. If you need to learn skills that you can apply in your work fast, then often a provider programme or short course is the fastest way to get there.

On successful course completion learners will receive InfoAvenue Course Mastery Certification.

COMPUTER LITERACY– ICDL

Computer literacy is a fundamental part of life no matter what field you are in. Computers affect every aspect of our lives and every sector of the global society. Employers prefer workers who are computer literate because they are more productive and efficient at work than those who are not computer literate.

Holding the Computer Literacy certification serves as a proof that you are computer literate and you can operate a computer and Microsoft Office applications.

MODULES COVERED

- Basic Concepts of IT
- Using a Computer and Managing Files
- Word Processing - MS Word
- Spreadsheet - MS Excel
- Databases - MS Access
- Presentation – MS Power Point
- Information and Communication - Internet & MS Outlook

NB: both basic and intermediate levels are covered.

PAYMENT STRUCTURE

Registration Fee: R300 (Payable on Registration, once off)

Cash : R 5 200 (Option 1)

Payment

Terms : R2 500 Deposit, R1000 for 3 months (Option 2 – For part time learners)

Course Duration: 20 Days full time and 4 Month part time

HOW IT WORKS

Learners attend instructor- led sessions at our Richards Bay centre, training includes practicals. Seats are limited learners per class ensuring each learner receives individual attention and gain the required skill to perform tasks at hand.

ASSESSMENT & CERTIFICATION

Learners are assessed continuously throughout their learning experience at InfoAvenue to ensure understanding and skill gain. On successful course completion learners will receive InfoAvenue Course Mastery Certification. ICDL International exams are optional and can be written at InfoAvenue at a Fee (Candidate Profile is R450 (once off), R220 per exam x 6 modules). Candidates can also obtain the End-User Computing, NQF L3 certificate from MICT SETA at a Fee.

COMPTIA A+ CERTIFICATION

CompTIA A+ is an internationally recognized qualification for aspiring computer technicians, & is the starting point for a career in IT as it serves as an entry level for most of the IT related jobs and qualifications.

SUCCESSFUL CANDIDATES WILL HAVE THE KNOWLEDGE REQUIRED TO:

- Assemble components based on customer requirements
- Install, configure, and maintain PCs, mobile devices, and software for end users
- Understand the basics of networking and security forensics
- Properly and safely diagnose, resolve, and document common hardware and software issues
- Apply troubleshooting skills
- Provide appropriate customer support
- Understand the basics of scripting, virtualization, desktop imaging, and deployment

SUBJECTS

- CompTIA A+ Core (220-1101)
- CompTIA A+ Core (220-1102)

PAYMENT STRUCTURE

Registration Fee: R300 (Payable on Registration, once off)

Cash : R 5 500 (Option 1)

Payment Terms : R2 800 Deposit, R1000 for 3 months (Option2)

Course Duration: 20 Days full time and 4 Month part time

HOW IT WORKS

Learners attend instructor- led sessions at our Richards Bay centre, training includes practicals. Seats are limited learners per class ensuring each learner receives individual attention and gain the required skill to perform tasks at hand.

ASSESSMENT & CERTIFICATION

Learners are assessed continuously throughout their learning experience at InfoAvenue to ensure understanding and skill gain. On successful course completion learners will receive InfoAvenue Course Mastery Certification. International exams are optional and can be written at any Pearson Vue Testing Centre in South Africa at a fee.

COMPTIA NETWORK+ CERTIFICATION

The CompTIA Network+ course builds on your existing user-level knowledge and experience with personal computer operating systems and networks to present the fundamental skills and concepts that you will need to use on the job in any type of networking career. It also addresses the content described in the exam objectives for the CompTIA Network+ certification.

If you are pursuing a CompTIA technical certification path, obtaining the CompTIA A+ certification is an excellent first step to take before preparing for the CompTIA Network+ examination.

COURSE OVERVIEW:

- Networking Concepts
- Infrastructure
- Network Operations
- Network Security
- Network Troubleshooting and Tools

PAYMENT STRUCTURE

Registration Fee: R300 (Payable on Registration, once off)

Cash : R 5 500 (Option 1)

Payment

Terms : R2 800 Deposit, R1000 for 3 months (Option 2)

Course Duration: 20 Days full time and 4 Month part time

HOW IT WORKS

Learners attend instructor- led sessions at our Richards Bay centre, training includes practicals. Seats are limited learners per class ensuring each learner receives individual attention and gain the required skill to perform tasks at hand.

ASSESSMENT & CERTIFICATION

Learners are assessed continuously throughout their learning experience at InfoAvenue to ensure understanding and skill gain. On successful course completion learners will receive InfoAvenue Course Mastery Certification. International exams are optional and can be written at any Pearson Vue Testing Centre in South Africa at a fee.

CCNA (ROUTING & SWITCHING)

The CCENT certification validates the skills required for entry-level network support positions, the starting point for many successful careers in networking. CCENT certified professionals have the knowledge and skill to install, operate, and troubleshoot a small enterprise branch network, including basic network security.

As Enterprises migrate toward controller-based architectures, the role and skills required of a core network engineer evolve and become more vital than ever. To prepare for this network transition, the CCNA Routing and Switching certification will not only prepare you with the knowledge of foundational technologies, but ensure you stay relevant with skill sets needed for the adoption of next generation technologies.

Cisco Certified Network Professional (CCNP) Routing and Switching certification validates the ability to plan, implement, verify and troubleshoot local and wide-area enterprise networks and work collaboratively with specialists on advanced security, voice, wireless and video solutions.

SUBJECTS

- ICND 1
- ICND 2

PAYMENT STRUCTURE

Registration Fee: R300 (Payable on Registration, once off)

Cash : R 9 500 (Option 1)

Payment

Terms : R4 500 Deposit, R1 800 for 3 months (Option 2)

EMOTIONAL INTELLIGENCE AND EFFECTIVE COMMUNICATION SKILLS

Good communication skills and emotional intelligence are inseparably linked:

In this Emotional Intelligence and Effective Communication course we mainly focus on the five core competencies of emotional intelligence: Self-Awareness, Self-Regulation, Motivation, Empathy and Relationship Management.

Participants will learn to develop and implement these to enhance their relationships in work and life by increasing their understanding of social and emotional behaviours, and learning how to adapt and manage their responses to particular situations.

The following are some benefits to growing more Emotionally Intelligent:

- Better Relationships
- Healthier Responses to life (versus strong reactions)
- Feelings of Confidence
- Being Resilient
- Ability to be Self-Aware
- Being Empathetic
- Ability to Regulate Emotions
- Having Improved Social Skills
- Better Decision Making (ability to identify that emotions are driving decisions)
- Less Impulsivity
- Being Assertive
- Ability to be Happier More Often
- Ability to Problem Solve

This is an enjoyable interactive workshop which includes lectures, group exercises and discussions. It will give delegates direction and the ability to recognize and manage their behaviours, moods, and impulses.

The candidates also gains the ability to evaluate and self-regulate their responses which will deliver huge gains in their effectiveness both personally and in their careers. It will influence their relationship with their loved ones and colleagues, in addition to relieving stress and gaining self-control and self-worth.

The program is designed to bring about Personal and Professional Growth.

PAYMENT STRUCTURE

Registration Fee: R300 (Payable on Registration, once off)

Session Fee : R 4 500

Course Duration: 3 days

The facilitator is a Certified Workshop Facilitator and an Emotional Intelligence and Counselling Practitioner through Achology... We do offer Counselling Support to candidates after the course should the candidate feel the Need and Guidance (or just someone to listen without judgement) through this emotional transformation.

OFFICE ADMINISTRATION CERTIFICATION

There is a strong need for professional and ethical secretaries all over the world, secretarial courses play an important role in meeting this need. Companies are continuously looking for competent and hard-working secretaries to take care of various administrative tasks.

One of the best aspects about choosing to work as a secretary is that you will have the option of working in almost any industry. Every industry or sector needs secretaries. This provides you with a wide range of options, opportunities and possibilities.

Frequently asked questions

1. Is InfoAvenue an accredited Institution?

Answer:

YES, InfoAvenue's Main SETA is the MICT, we have also applied with the DHET and are currently on the waiting list.

2. Why are your course durations short?

Answer:

The main reason for shorter durations is the fact that all our classes run from 8h30 am until 14h30 pm daily (instead of attending 2hrs each day)

3. Why do we need to extra or separate money for Certification?

Answer:

At InfoAvenue we understand that people attend Training for different reasons i.e.

- gaining skills for employment
- increasing confidence
- opening a door to further opportunities
- personal fulfillment or pleasure
- supporting their children's learning and development
- keeping active and independent into old age

With that in mind, our courses are customized in a way to ensure Skill Gain, how you formalize your skills in entirely up to your needs.

1. A mastery certificate is issued at the end of the course which is used as proof of attendance.
2. International Certification is required if the candidate requires employment, exams can be written at any Pearson Vue testing centre world-wide.
3. SAQA aligned qualifications are also available for those who wants or needs to accumulate credits.

4. When can I start?

Answer:

Training runs almost every month, contact our us when you are ready to start.

5. Are Training Manuals included?

YES, Training manuals are provided, However, for IT courses we provide them on a library system but you can order and pay for yours if you want to keep your own hard copy (we order the manual on your behalf, a quote is requested and approved by you)
